# Official Mammoth Lakes 2005 Jazz Jubilee Posters

www.candidimages.com

Own this year's Mammoth Lakes Jazz Jubilee Souvenir poster taken at the 2004 finale by local photographer Bonnie Colgan. The colorful image features Terry Meyers on saxophone which continues her theme of hands on the instrument, only this time Bobby Pickwood and Charlie Bertini dropped in on the fun. The 18" x 24" poster is available framed or unframed. Choose either a white or black background.

The featured musicians and Bonnie will hold poster signing sessions at her booth located at "The Holler" (Sam's Woods). Dates and times to be posted at her booth. The poster, T-Shirts and photo blank note cards will be available for purchase at her booth and at The Candid Images Gallery inside Cabin Essentials.

# Welcome to Our 17<sup>th</sup> Year!

Welcome to the 17<sup>th</sup> Annual Mammoth Lakes Jazz Jubilee and thank you for attending this fun community event. It's a jazz event held in an area surrounded by great scenery, it has a wonderful and helpful volunteer staff, and with music provided by some of the world's best jazz musicians who are playing for you – our ardent and supportive jazz fans!

We normally alert you to some of the new things that you can expect at the Jubilee. However, this time, there are too many changes to list here; so please read the article titled, "What's new at the 17<sup>th</sup> Annual Jazz Jubilee?" on page 5. You'll get all the new stuff there.

We want you to have as much excitement and fun attending this Jubilee as do all of

us who put it on for you; so please stay informed. We hope you enjoy looking at the beautiful scenery, feeling the community spirit, and listening to and watching some of the best jazz bands and players in the country.

It takes many "ingredients" to put on an event like this, and we feel we have been able to combine them from the "cream of the crop."

Thanks again for coming to the Jubilee, and enjoy our "Jazz with Altitude" – the 2005 Mammoth Lakes Jazz Jubilee.

We have the good fortune to not only participate in a fun-filled musical event, but to enjoy it as well. Thanks for joining in. Have a wonderful stay, enjoy the food and music, and be sure to take advantage of all the wonders of this beautiful area.

# What's New for the 17th Annual Jazz Jubilee?

You "returnees" have probably noticed, we are no longer able to use "Tom's Woods." Because of that, we've moved many things around to "adjust." Such as:

**1.** The Holler will now be **Jazz Headquarters Location** with music from 3 to 10:30 p.m. on Thursday. This location will have our badge "Will Call" booth. The Holler will also be one of two locations that will accept credit cards, the other being the Big Top. This venue will have the larger Friday night Mardi Gras Party, the Church site will have the second Mardi Gras Party on Friday night. Please see schedule for details. The Holler will also have the most variety of food booths, the most trees, more shade, more chairs, and more porta-potties. This will also be the location for the 8:15-9:45 p.m. Saturday night "Big Band," home for the 10:15 a.m. Sunday "Gospel" by Blue Street, and the location for the 4:30 p.m. Sunday night finale

**2.** The new location for the souvenir tents will be at the Big Top area – look for the 40' x 80' tent on the tennis courts. Inside you will find many fun items for you to use to decorate your favorite jazz hat, umbrella, or parasol. Don't forget to purchase your Jazzy Ts there, too!

**3.** Speaking of the Big Top, for the first time the Big Top tent will have music from 3-9:30 p.m. on Thursday.

**4.** We have added two new venues – the "Canyon" and "Sherwins."

**a.** The "Canyon" tent is located on the grass behind Canyon Lodge. You will find easy access from the Canyon Lodge parking lot located up Canyon Blvd., or it's a very short walk from the "top" Village Gondola station. This area will be used mostly during the days on Friday, Saturday, and Sunday. Some of your favorite bands will be playing there. Of course, you'll find food and drink for "cash" sale only (no wooden dollars accepted here). The bathrooms will be located "indoors" versus the "small green house." At the base of the Gondola, you will have access to "indoor" toilets in the Mountain Center.

**b.** The "Sherwins" is an indoor location with 100+ seats. It will be used Thursday, Friday and Saturday evenings. This intimate setting is located down Old Mammoth Road, past the Vons shopping center, at the equestrian center. Follow the signs to the back building. There will be beer and wine available for "cash" sale. "Soul Reason," a blues band, will be there Thursday evening at 9 p.m., while "Igor & Friends" will be there at 9 p.m. each of Friday and Saturday nights.

**5.** We are expanding two areas this year that were "new" last year. They are The Village music schedule and venue size, and the Gondola operating hours.

**a.** "The Village" will now have a tent and a large movie screen. There will be movies shown from 7-10 p.m. Thursday, Friday and Saturday nights. Most of these movies were filmed at previous Mammoth Lakes Jazz Jubilees. Footage includes local beauty, many bands' stage performances, crowd shots, and some shows from performers who will not be here this year. For example, "Beth Chorneau" and the "Jack Daniels Silver Cornet Band" will only be here, shown at "the movies." Do you remember the pizza covered with "night crawlers," or the "Wooden Nickel Jazz Band"? All have been captured on film and will be shown during "the movies." Each day look for more information as to what will be shown and when. You'll need to move your car from Canyon Lodge to be closer to Ocean Harvest or Whiskey Creek if you are going to stay up late. The last gondola stops before those shows do. It's a long walk up Canyon Blvd. to Canyon Lodge! And Canyon Lodge is **NOT** on the bus route, so please watch your time and remember where you parked!

As of this writing, some of The Village restaurants and bars will have food for sale close to the tent on a "cash" basis.

The Village tent will feature some bands you won't see too many other places. Hyperion Outfall Serenaders, Sally Tibbs & Kevin Kirk, Igor & Friends, Ryan's Raiders, Soul Reason, and The Barkin' Dawgs.

On Saturday, look for the Barkin' Dawgs to make their second year appearance here. Last year they helped create the "Lance Gardenline" Trombone Scholarship to aide one of our Jazz Campers. This year it is being used by Michael Nordby. Also, a big thanks to an anonymous donor who is helping Zac Burgenbauch attend our Jazz Camp this year. Thanks, you are helping to keep the music alive.

**b.** The Gondola from the Village to Canyon Lodge is scheduled to run the following times:

Thurs., 3 p.m. to 11 p.m.

Fri., 11 a.m. to 11:30 p.m.

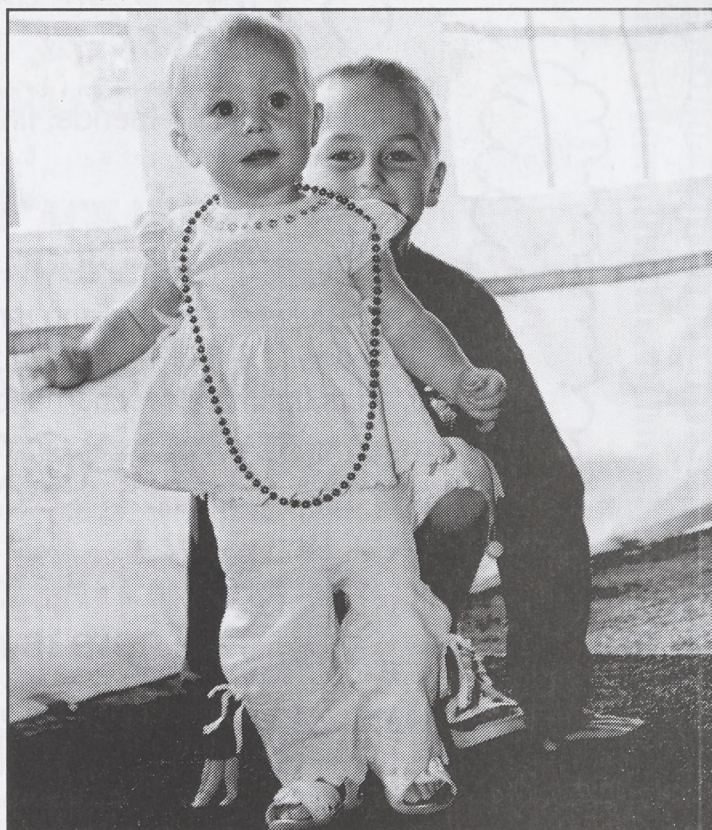

Sat., 10 a.m. to 11:30 p.m.

Sun., 9 a.m. to 6:00 p.m.

We know this is way too much information, but don't just go to your old "stomp'n' grounds" — be adventuresome and try some "new stuff." Maybe you'll find a favorite "new" venue and or band. At the Mammoth Lakes Jazz Jubilee, the main thing is to have fun!

**6.** One new band that has never been at the MLJJ before is "Steve Lucky and the Rhumba Bums." Please give them a warm Mammoth welcome. Several other bands are "new" in their format, but most if not all of the players have been here before with other bands: Igor and Friends, Royal Dixie, and Brady McKay & the Huddleston 4. Also, Hot Tomatoes Dance Orchestra is returning after a many-year absence.

**7.** Read our new "Daily Jazzy Times." Look for "Jazzy T" prize winners and any information that you may need to know for that day – maybe schedule changes, tips, and Jazz notes. Hope you enjoy your stay at the Mammoth Lakes Jazz Jubilee!

Our Jazz fans come in all sizes!

- \* Puts out more second-hand smoke than 3 cigarettes

## Ron James Rickabaugh

Born on June 26, 1957, in Gardena, Calif., Ronald James Rickabaugh lost his struggle with cancer in Friday, March 25, 2005. Rickabaugh's first love was Patty Jones. They shared an incredible passion for life and outdoors. After meeting Jones 18 years ago, Rickabaugh quickly became a father to her six children and adored grandpa (poppy) to her 13 grandchildren.

Rickabaugh moved to Mammoth 26 years ago. He spent 20 years in the construction industry, and had recently started his own home inspection business, Eye Spy Home Inspections. He enjoyed camping, skiing, quading and snowmobiling. He also loved the Jazz Jubilee and volunteered for it every year.

Rickabaugh was much loved, and a cherished member of the Jones, Erwin, Elliot, Calsadillas, Murphy, Mitchell, Sisson, Shoshone and DeSalvo families of Mammoth. Rickabaugh is also loved by his father Jim, mother Betty, sister Linda, her husband Ken, sister Janet, her husband Mark, and their son Zach. Rickabaugh's great sense of humor and true devotion for fixing everything will be greatly missed by everyone who knew him.

Ron was responsible for moving many, many pounds of Mammoth Lakes Jazz Jubilee equipment for us, including chairs, wooden booths, and dance floor bases. He was the man on big equipment. He and his skills will be missed. We dedicate the 2005 MLJJ to Ron.

## Jazzy T-Shirt Raffle

One of the most popular souvenirs at the 2005 Mammoth Lakes Jazz Jubilee will be a "Jazzy T" and "Jazzy Golf" shirts. The "T or Golf" shirt is your ticket in to a fabulous raffle and your chance to win one or more great prizes.

Here's how it works: Buy a Jazzy T-shirt, fill out the attached entry card and enter it into the raffle. Buy two, and your chances increase. Every shirt is individually numbered to represent the purchaser's chance in the raffle.

Come the festival's final hours, each entrant (whether a previous winner or not) will be placed into "the hat" for the many prizes still available. The Grand Prize will be two Southwest Airlines tickets and the first prize will be a portable DVD player.

Other prizes include some special spa suite stays at Circus Circus in Reno, merchandise and many gift certificates from local shops and restaurants. You can't win if you don't play, so be sure to buy your "Jazzy's" at the Big Top souvenir tent. Fill out the attached card and hand it to the Jubilee Raffle volunteers.

Even if your number is not called for the grand prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. Best of all, profits from the Jazzy T-shirt raffle go directly back into next year's Jazz Jubilee fund, so join in the fun!

The names will be drawn in between sets at the Big Top stage. Winners names from previous day's drawings will be available at the entrances of each venue and in the daily issue of the "Jazzy Times."

Please note: You need not be present to win!

Our first "Jazzy T" was printed for our fifth Jubilee in 1993. Do you have all of them? Buy one today to add to your collection.

# Beaucoups des Banjos!

There are three separate special events featuring banjos at this year's Mammoth Lakes Jazz Jubilee. The Banjo Brunch is the first of the breed, and features individual banjo and guitar players, representing the many bands performing here at the Jubilee. They play at least two at a time for 25 minutes a set. (Please note: There is a five-minute break in between sets)

The popularity of the Banjo Brunch led to the inauguration (a few years later) of Banjos and Cocktails, Guitars, Too! Again, banjo players from the Jubilee are paired together (or in threes) to play in 25-minute sets. The most recent addition to the banjo bonanza is "Blazing Banjos" with the fast fingers of Gary Ryan, Eddie Erickson and Bill Dendle as a trio—you just have to discover this one for yourself! These will be 55-minute-long sets.

## 8th Annual Musical Instrument Petting Zoo

**Saturday, July 16, 9-9:45 a.m. at Holler**

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee eight years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people take up their favorite instrument. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 16 at the Holler. Petting Zoo time begins at 9 a.m., so stop by and hold, blow, beat or simply pet these musical instruments. Mouthpieces and reeds will be sanitized after each use.

Jazz camp students and musicians participating in the Jazz Jubilee will be there to teach you how to hold and pucker. All ages are welcome to the petting zoo, and feel free to ask questions or ask for demonstrations from our young campers.

*Just try to play our instruments.*

## Drink Responsibly... You're at 8,000 Feet Above Sea Level

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to "Think Before You Drink!" This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level.

For those of you unfamiliar with such altitude, take it easy! You and your body will react to alcohol differently.

Consuming two beers at a high altitude will affect you more than at sea level. Drink plenty of water to avoid excessive dehydration, and should you become unable to drive, take advantage of the free shuttle bus system. Please limit your bar purchases to two drinks a trip.

If you live outside the shuttle route, contact a site manager, who will find you a ride home.

Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official.

# Survival Guide

## First Aid

The first aid station will be set up near the Holler on Minaret Road. If you need help, notify any site manager (wearing red vests) and he or she will radio the nurses and paramedics on duty. The paramedics van will be in and out of this area. Call 911 for all other emergencies in Mammoth Lakes.

## FOR YOUR INFORMATION

HAVE A GREAT TIME AND PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES, WHICH WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL.

## NO SMOKING

Because we are in a high fire-danger area, there is no smoking at any site except in the designated areas; look for the signs. Please use the buckets for your "butts." Note to our visitors from out of state: ALL California bars and restaurants are non-smoking.

## BE CAREFUL CROSSING STREETS

Use crosswalks where painted. Be aware that Minaret Road by The Village, is very busy—try to stay inside the walking lane. Also, the sites for the Big Top, Ocean Harvest Restaurant and Grumpy's are situated on both sides of Old Mammoth Road. Be

very careful when crossing in those areas. Be very cautious as cars and drivers are not used to a lot of foot traffic in that area.

Another area to use extra caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. You may want to bring a flashlight for evening walking.

## NO SEAT SAVING

**Not even with your seat cushion!** Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please **DO NOT** save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom or if you want to buy food or drink! Tell your "neighbor" so your seat will not be given away).

## LOST AND FOUND

They will be located in the main ticket booth at the Holler and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn. \*Check the area around your seat before you leave so you don't forget anything.

## RECYCLE CANS & BOTTLES

...In the marked trash containers. We are trying to recycle "better" than in the past. Please help us with this goal by placing "trash" in the correct receptacle.

## PARASOLS & UMBRELLAS

Please be aware of the direction and sight-blockage it is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people! Read the "Mardi Gras" Madness article.

## VCR RECORDERS

They will be allowed in designated areas only—this is at the discretion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

## DANCING

Dancing on designated dance floors will be at the following sites: RV Park, Holler, Big Top, Whiskey Creek, Whiskey Creek Tent, Church, Canyon and Grumpy's Tent. Special black-and-white floors at the Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

## SSHH!

Please hold it down! If you must talk and socialize, please go to an "outer area" of the venue so you don't disturb people who are trying to listen.

## **RESTROOMS ARE PROVIDED AT EACH VENUE**

Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent – all areas with a black top surface. Also, nice facilities are in the RV Park Rec Room. The Canyon & Village tents will have indoor toilets nearby.

## **AGAIN THIS YEAR, FREE GONDOLA RIDES**

A fun, free Gondola ride from a large, free parking lot area located at the base of Canyon Lodge at the top of Canyon Boulevard to "The Village, which is the area located across the street from Petra's Café, The Alpenhof, and Berger's.

The Gondola will operate many hours on all four days. There is plenty of time to get you to the event so you can hear some great music. It takes only four minutes each way, so you can go back to your vehicle to pickup a jacket so that you don't have to carry it around all day. For you late night owls who stay up and watch the last shows at Whiskey Creek & Ocean Harvest, you'll have to move your car closer to those locations before the last Gondola ride at 11 p.m. on Thursday, 11:30 p.m. on Friday and Saturday, and 6:30 p.m. on Sunday.

Parking should have cleared out some by then. Other parking areas will require "common sense." It will be limited in some locations of town, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, Mammoth High School lot behind Grumpy's, and the lot across from the Village-off of Forest Trail. Please do not block parking spots designated for band members or our hardworking crew. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot as well as the RV Park, Main Street & Minaret Roads. Please see the map in this program to find location and approximate pickup times.

## **MORE SHUTTLES THIS YEAR**

7 a.m. to 8 p.m. free town shuttle provided by Inyo-Mono Transit. This is in addition to the Jubilee buses and new Town Trolley. The Town Trolley will run from 9 a.m. to 9 p.m. See maps at the Holler and the Big Top for information. (also pg. 26-27)

SUE MORNING PHOTO

Yes, we do have a lot of dancing going on!

## **ALCOHOLIC BEVERAGE POLICY**

Any beverage you purchase at one of our food/drink booths may be taken out of that outdoor site, transported down the street, and taken into another outdoor site. Please note that California law DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN VEHICLES. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our OUTDOOR SITES. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the "Drink it or Dump it" rule, that applies to most fests. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Cafe, Whiskey Creek Restaurant, Ocean Harvest Restaurant, or Hennessy's site. Thank you!

**SORRY—STILL NO COOLERS, THERMOSES OR  
"OUTSIDE ALCOHOL" ALLOWED IN ANY VENUE.**

SUE MORNING PHOTO

## **WOODEN DOLLARS**

They will be used as payment for food and drinks at most outdoor sites only. The exceptions: The Sunday night programs at the Big Top & Grumpy's Tent. The "Good-bye 2005 Jubilee" party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

**MOST INDOOR SITES** will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to the Holler and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum \$20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from \$1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at the Holler.

## **MOST OF ALL ENJOY!**

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tables, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

## Local Businesses Serve Up Hot Jazz

In addition to the tented venues at the 17th annual Mammoth Lakes Jazz Jubilee, there are several indoor venues featuring a variety of entertainment.

Most of these indoor venues are restaurants and popular bars. And again we are including the RV Park facility as an indoor site. Seating is limited at most of the indoor venues, so be sure to arrive early.

The following is a list of indoor venues featuring the music and fun of this year's Jazz Jubilee:

- The RV Park: This venue is located one block east of McDonald's on State Highway 203, on the right as you are heading back towards US 395. This site has over 200 seats and a great dance floor! Wooden Dollars are accepted here! The only indoor site to take them. A special Wednesday night show will start at 8 p.m. and run until 10:30 p.m. Jeff & Anne Barnhart, Danny Coots, Sherri Colby and Matt Battel will perform "From Ragtime to Broadway" plus lots of other good stuff. There will be an extra \$10 donation for all those without "All Jubilee Badges."

- Whiskey Creek (Upstairs): Located at the heart of the Jubilee at the corner of Minaret and Main, Whiskey Creek will feature a variety of bands on their always-festive stage located inside and upstairs this popular restaurant. Look for it on Thursday, Friday and Saturday nights.

- Ocean Harvest: The downstairs of this fashionable restaurant will feature a variety of events, including the popular Pianorama Friday and Saturday. This site has over 120 seats.

- Hennessey's: The Banjo Brunch will be held here on Saturday, July 16 from 8:30 to 11 a.m. Hennessey's is in The Village, right near the loading area for the Gondola to Canyon Lodge, behind the Village tent.

- Petra's: Also located in the Jubilee hub in front of the Alpenhof Lodge, this local hot spot will feature the always-popular Banjos and Cocktails (Guitars, too) affair (no-host) late Saturday afternoon from 4-6 p.m. Wine/Beer/Food available.

- Sherwin's: A new venue out Old Mammoth Rd. Follow the signs by Sierra Meadows Equestrian Center - This site will have 100+ chairs, food & drink for "cash" purchase. It will be used Thurs., Fri., & Sat. nights only.

Many of these indoor locations are fairly small, and seating may be limited. Arrive early so you don't get turned away at the door. Remember also, your "All-Jubilee" badge does not guarantee you a seat at any event. If a site is full, please ask a site manager to check and see which sites are not full.

Please note that indoor venues accept only cash or credit cards for purchases. Wooden dollars are good at most outdoor sites only, and the RV Park.

## Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs, invaluable support.

The organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp.

Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Holler. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you.

The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, and the Community Chorus ("Messiah"). Additional contributions are given to school bands and choruses. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. They also provide scholarships for promising high-school seniors who have proven their interest in the music field.

# Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, inside of the RV Park Rec Room, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that the Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind Ocean Harvest. Very limited spaces at other sites.

For all you weary guests, check out a very special feature at the Holler—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices.

The Village Gondola is wheelchair friendly, but there are stairs to get to the tent. You could remain on the flat surface on the back side of Canyon Lodge and hear the music, but not see the performers.

Canyon Lodge does have an elevator to get you to the deck by the Canyon tent. One again, there are stairs to get to that tent.

Sherwins will have some handicapped parking close to the building.

## Souvenirs

# Take Home Music or a Video from Mammoth

Over the years, the Mammoth Lakes Jazz Jubilee has produced CDs and videos in cooperation with GOAL Productions and the University of Southern California's School of Cinema-Television.

These CDs and videos are on sale in the souvenir tent at The Big Top; proceeds help support the annual Mammoth Lakes Jazz Camp, hosted by the Jubilee. Your support helps keep jazz alive, and introduces more great music to up and coming players!

Some of these items may be sold out.

## CDs:

Mammoth 2001: Ballads & Things... 17 songs recorded live at Ocean Harvest, featuring mostly piano from Pianorama, plus Barnhart, Draga and Coats.

Mammoth 2000: 2000 Pianos, 2 Guitars and 1 Clarinet... Featuring tunes from the Jubilee's piano players, plus Dave and Larry Koonse and Bob Draga.

Mammoth 99: Big Band and Little Band... 18 tunes featuring Terry Myers & the Mammoth Lakes All Star Big Band and the Phil Norman Tentet.

Mammoth 98: A Little Bit Trad and a Little More Modern... 14 songs from 13 bands.

# Friday Night Mardi Gras Madness or Manners?

New this year—two locations to have Mardi Gras Fun on Friday night—the Church and The Holler. Masks and beads will be for sale at each location. Join in the fun and catch the Mardi Gras spirit.

Please have a fun Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at the both Church and Holler become "blocked" when people stand/dance/or jump around in front of the stage.

In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 45 minutes of each 55 minute set, "second line" paraders and partiers may move anywhere in the site so long as you DO NOT STOP in front of the stage so you are not interfering with someone else's view. But it is NOT OKAY to party in front of the stage where you block vision for those seated there.

3. Exception—for the last 10 minutes of each set—approximately 8:15 to 8:25 p.m., 9:30 to 9:40 p.m. and 10:45-10:55 p.m. in the Holler, and 7:15-7:25 p.m., 8:30-8:40 p.m., and 9:45-9:55 p.m. in the Church; it will be okay to get in front of the stage. However,

**ABSOLUTELY no one other than paid performers is allowed on the stage at anytime!**

4. To those who are seated, we hope you enjoyed the first 45 minutes and understand the last 10 minutes of each set.

5. Remember most rows of chairs in the Holler and the Church are on a relatively level surface, so if you want to see the stage for the whole show, you may want to take a seat "on higher ground", or get up and party, too!

Be prepared to have some fun and get into the Mardi Gras spirit.

We are trying to make Mardi Gras fun for one and all. Thanks for your understanding and cooperation!

Tom Gault enjoys "Mardi Gras" after doing many hours of labor to help get the Jubilee open.

If you don't already have the first three of the "Hand and Instrument" series, there should be some there for you to purchase.

This year's poster features Terry Myers playing his saxophone, Bobby Pickwood playing his trumpet, and Charlie Bertini enjoying it all. The three players are all from Bill Allred's Classic Jazz Band.

Jon Raman ..... Drums  
Amy Dahlstrom ..... Piano  
Jeff Waters ..... Clarinet

Bob Romans put this group of talented young musicians together in 1996. Over the years there have been some personnel changes because of members going off to college, but several of the current members are part of the original "Dawgs." They have performed at the Fresno Mardi Gras Festival, Sonoma County Dixieland Festival, Dixieland Monterey, and the Sacramento Jazz Jubilee. Over the last several years, many of these players have attended the Mammoth Lakes Jazz Camp. They are here for the second time to show you that young musicians know how to play jazz.

Their first appearance last year should have been a happy occasion, but their Saturday set at Whiskey Creek Tent was a reminder of how fragile our time on earth is. Lance Gardenhire, a former member of the band, died March, 2004 at age 19. The Barkin' Dawgs asked to dedicate a set to him. Lance loved the Mammoth Jazz Camp experience, and loved the area. His family asked that any money collected be donated to the Mammoth Lakes Jazz Camp. So far, almost \$1,800 has been collected, and for this we thank you. We have started a Lance Gardenhire scholarship for Mammoth Jazz Camper students. This year it is being used by Michael Nordby.

This hard-swinging unit known as Bill Allred's Classic Jazz Band started out as a "kicks band," collecting and playing some of the early works of small-band-arranged jazz. Just for the fun of it they went to a few jazz festivals. That was over 11 years and many albums ago! Now they enjoy worldwide acclaim as one of the most versatile bands in the business.

With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz plays big band, little band, traditional, Dixie, swing and straight ahead, with great arrangements from Matty Matlock to Doc Severinson. There is no denying it, this is an awesome swinging band!

The Blue Street Jazz Band has been a major force on the Dixieland jazz circuit for a number of years. In fact, two years ago they celebrated their 20th anniversary!

Founded in 1983 by trumpet player Forrest Helmick and currently under the leadership of trombonist Dave Ruffner, the band is one of the most innovative groups in traditional jazz.

Original songs and creatively conceived arrangements have been the hallmark of the band, along with musical expertise displayed by each individual member.

The band showcases the singing of the "Siren of the San Joaquin"—Ms. Sherri Colby, who has been singing with the band since she was 13 years old.

The Blue Street Jazz Band earned a reputation as the "Bad Boys of Dixieland" for their eclectic tastes in music. They have 20-plus years as a group, more than a dozen top-selling albums, and too-many-to-count live performances around the globe behind them.

Known for their fast-paced, energetic and fun-filled performances, Blue Street will get you off your feet and onto the dance floor before you get your first libation. With inspiring and uplifting gospel tunes thrown into the mix, the band has a wide appeal to audiences and pleases both young and old alike.

Chicago Six is as much a tradition here in Mammoth as the Jazz Jubilee itself, and they are recognized as one of the most popular returning bands.

The band hails from Cardiff, a town just north of San Diego. A swinging group of musicians, Chicago Six has been around for more than 20 years. They first started playing as a pickup band to fill in on Friday nights with Dixie-style music at the Belly-Up Tavern.

Their distinctive style has its roots in Chicago jazz, which, when they're really cooking, has made them one of the country's most respected bands. Many of the talented members are veterans of some of the best-known jazz organizations in the country, including Stan Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett, Les Brown, Lawrence Welk and Tex Beneke.

Please welcome a first-timer to Mammoth, Hal Smith on drums, and one of our returning Jazz Camp graduates – Bria Skonberg on trumpet and vocals.

The seven multi-talented musicians of Cornet Chop Suey will give you an exciting Traditional jazz and Swing show every time! And they do so with gusto and enthusiasm.

Formed in 1997 by co-leaders Brian "Big B" Casserly and Tom Tucker, the band is excited to make their third appearance here at the Mammoth Lakes Jazz Jubilee.

Named after a popular Louis Armstrong tune, Cornet Chop Suey has at least a century of songs in their repertoire—from the rags and Dixie of the early 1900s to contemporary jump, jazz and swing.

Their two recordings, "Cornet Chop Suey—Live" and "Cornet Marmalade" were produced the old fashioned way: in a single evening in front of a live audience. The band wanted to capture the feel of 1950s-era jazz festival recordings and did so with much success.

Cornet Chop Suey features a high-energy front line and a powerful rhythm section. These members and supporters of the St. Louis Jazz Club are local favorites who keep you coming back for more!

 Dana Mandell ..... Accordion

This marks the ninth year Gator Beat will perform at the Mammoth Lakes Jazz Jubilee. Their popularity here is as hot as their music.

The band has been playing dances and festivals on the West Coast for over 10 years, winning fans from around the globe. There have been a few changes to the band's roster of players this time around, yet Louisiana native Richard Domingue remains the band's leader.

Gator Beat specializes in its own brand of South Louisiana music, blending traditional Cajun and Zydeco with a wonderful mixture of original songs.

Like a good gumbo, the flavor is always spicy and bound to please. Be it a concert, a dance or a down-home crawfish feed, Gator Beat has been there, and everyone has had a good time!

No matter what your taste in music is, you won't be able to resist Gator Beat's feel-good, toe-tapping, magical sounds. Mardi Gras mixed with down home tales.

Paul Midiri ..... Vibraphone, Trombone  
Dan Tobias ..... Trumpet, Cornet  
Pat Mercuri ..... Guitar

You'll love to watch and hear Paul play the "Vibes."

Straight out of New Jersey, these talented musicians also perform their own special arrangements in the tradition of the Swing and Dixie eras, all under the direction of clarinetist Joe Midiri.

 Dick Doner ..... Trombone, Vocals  
 Jim Richardson ..... Reeds, Vocals  
 Les Deutsch ..... Piano, Vocals  
 Don Richardson ..... String Bass  
 Lance MacLean ..... Banjo, Guitar, Vocals  
 Larry Kostka ..... Percussion, Vocals

Jazz festival veterans, The Night Blooming Jazzmen, return to Mammoth with fresh-sounding jazz and entertaining styles. Those familiar with this wonderfully funny band may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, it has been performing at the Sacramento festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan emcee, and the whole band gets in on the hilarious and spontaneous shenanigans.

When the music of old New Orleans meets up with the spirit of "old" Las Vegas, a lot of folks find the result royally irresistible.

The Royal Dixie Jazz Band (all players formerly with Kinda Dixie) plays music authentically enough to travel to Dixieland jazz festivals, but the group would admit that its heritage lies not on Bourbon Street but in Las Vegas lounges.

They are the house band at the locals-oriented Gold Coast Hotel and Casino on West Flamingo Road in Las Vegas. Be sure to stop in to see them Monday-Friday afternoons in the lounge.

Mammoth is royally excited as it welcomes Royal Dixie to the Jazz Jubilee.

The Side Street Strutters return to the Mammoth Lakes Jazz Jubilee for the ninth time. They capture the charm, vitality and creative energy of Jazz-America's musical heritage.

This sharply-dressed septet has presented formal concerts at theaters and performing arts centers throughout the country and Europe since the band's inception in 1983. With weekly performances at Disneyland, they have developed their own unique formula for presenting over half a century of jazz styles, including Dixieland, Blues, Big Band Swing, jazz standards and post-bop classics. You can also see them sharing the stage with professional symphony orchestras, which recently included Pops appearances with the Houston, Phoenix, Jacksonville, and Long Beach symphonies.

A performance by the Strutters often includes surprises such as tap dancing, lighthearted humorous antics, bead tossing, and the use of rare and unusual musical instruments. They have seven CD releases along with Rob's recent release featuring the rare Con-O-Sax.

"In the past, camp instructors hailed from various bands. It made scheduling very difficult." Jubilee Co-Director Ken Coulter explained. "A few years ago, we decided instructors could not be in a separate band, so we formed a new one."

The success of "The Professors" was instantaneous. We feel great about putting this group together!

Mammoth Lakes Jazz Jubilee is one of the few festivals where you can see this group perform.

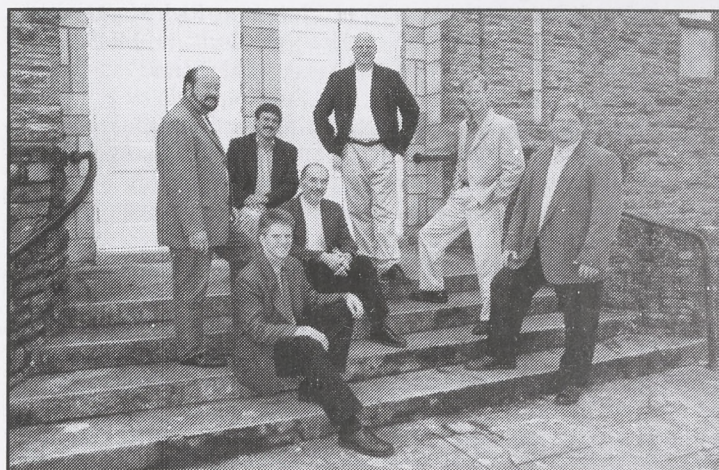

With so much talent and experience, they will surely bring the house down again this year!

**Chuck Bond** ..... Cornet  
**Jim Fryer** ..... Trombone  
**Jerry Krahn** ..... Guitar, Banjo

The Titan Hot Seven is filled with familiar faces. Founded by the late Louis Brown as a quintet, the band has many members who were/are associated with the Jack Daniel's Silver Cornet Band, including Danny, Jerry and Chuck.

This Nashville-based Hot Jazz band became seven pieces in 1998, when Bob and Jeff jumped on board. A versatile group, the Titans play everything from Traditional Jazz, Swing, ballads, ragtime and novelty tunes with spontaneous, outrageous humor. We are very excited to welcome them back for their seventh outing together in Mammoth Lakes.

Since 1996, the band has played at jazz festivals and jubilees from Sacramento to Indian Wells to Chilliwack, BC, to the Lake of the Ozarks. They have several recordings on the market, including "Going to Tishomingo," "The Jean Wright Sessions," and "Jam in Music City." All their albums are hot items to jazz lovers everywhere! Also, many members have their own solo albums for sale.

Tom Hook and his Black Dogs are back. This hot gang of musicians is sure to bring the house down, the tent down, or wherever they are playing down.

Formed in Orlando in 1989, The Black Dogs were originally composed of staff musicians at Walt Disney World. Soon after, they took the Traditional Jazz world by storm by infusing contemporary rhythms and sounds into classic New Orleans Jazz. It really changed the face of the Trad world forever.

Always in pursuit of the original goal, Tom and his Dogs pointed their energies into American pop music and crested the wave of "Jump Swing" long before the current crop of swingsters.

The Dogs have also made a point of playing the finest New Orleans-style rhythm and blues across the globe, which they have toured extensively.

During their travels, the Black Dogs have headlined jazz festivals all around the country. Here at the Mammoth Lakes Jazz Jubilee, they have come in a variety of forms; as "Les Chiens Noir", as the "Terrier Brothers", and "Uncle Yoke's Black Dogs" and more. But they always are a festival favorite—always the life of the party!

Don't miss this crew of dynamic musicians who swing hard, rock steady, and drive everyone out of their seats and onto the dance floor. Their presence will surely be felt at the Good-bye 2005 party at Grumpy's Tent on Sunday night. This special extra event is sponsored by Grumpy's! To get in, there is a \$10 cover for everyone, except those with 2005 ribbons on their 2005 badges.

## Our Philosophy

### Still jazzing after 17 years...

"Any real jazz festival can't be simply a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

**The point of a festival is to be festive.** To give and receive joy and to present a wide diversity of styles and types of music in as festive and pleasant a surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons, and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper: It should all be there for you.

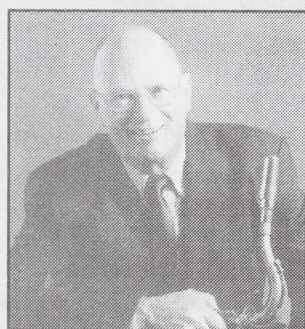

A festival, like music, is to be experienced. It is interesting, but not essential, to know things about music and about the musicians. The music is enough by itself; so is the setting; and so, too, are the people there.

All together, these make up one of the best things about being here, even if it only happens once a year."

[Adapted from "Why a Jazz Festival-Festival?" by Ralph Gleason].

Please enjoy your mountain musical experience—Mammoth Jazz with Altitude!

## Terry Myers and the Mammoth Lakes Big Band

### EVERYWHERE USA

Terry brings some wonderful charts from his home state of Florida for our fabulous musicians to sight read. No time for rehearsals, so what you hear has to be good the first time through, and it is! This group will change often throughout the time allotted so you will get to hear and see many different combinations of vocalists and players. We are very proud of what these guys and gals can do! Sit back and relax, close your eyes, whether remaining in your chair or while you are dancing, and try to remember what you were doing when. Enjoy some of the very best at what they do. You may not know some of the tunes, but listen to the arrangements – they're wonderful!

# Jazz Jubilee Camp, 11 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its eleventh year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 10 and runs through July 17. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Jazz Camp Youth Band on the schedule. Come and support our jazz players of the future!

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Dendle in the experience, including Rusty Stiers, Anita Thomas, "Fast Eddie" Erickson, "Westy" Westenhofer, Ed Metz Jr., Jason Wanner and Shelley Burns.

In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as "The Professors." Check the schedule for time and locations.

In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona, Oregon, Washington, Idaho, and Florida. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets.

These kids will amaze and delight you! Don't forget to catch a set or two of the Barkin' Dawgs—many are former camp graduates.

## Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.

Part of the funding is made possible by a jacket raffle held at each Jubilee. "Racy," one of our souvenir vendors at Big Top, donates a jacket each year, for which we sell raffle tickets at \$1 each.

Be sure to purchase at least one raffle ticket and contribute to this worthwhile scholarship fund. Who knows, you may even win a snazzy new jacket!

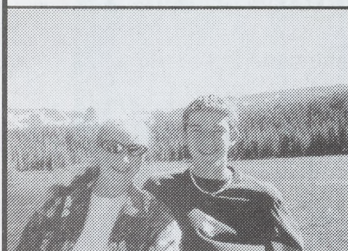

Tickets will be sold at a table in the back of Big Top—the raffle prize "pick-up" table. —MLJJ

## THE LANCE SPENCER GARDENHIRE MEMORIAL SCHOLARSHIP FUND

Lance with Shelley  
2003

Last year, at the age of 19, four-year camp attendee and Barkin' Dawg Jazz Band member Lance S. Gardenhire passed away, nine months after learning his melanoma had returned with a vengeance and spread throughout his body. Lance was a talented young trombone player who attended Mammoth Lakes Jazz Camp from 1999 – 2002 and who made his last trip to Mammoth in 2003 to see his younger brother Grady perform as a jazz camper. After Lance died, his family hoped that, in lieu of flowers, money could be donated to certain organizations, one of which was Mammoth Lakes Jazz Camp. It was by far the most successful of the funds set up in Lance's name, and his family greatly appreciates each and every donation. Even though this camp only involved 4 years out of Lance's 19 years here on this earth, those 4 years helped shape Lance's life and were a big part of the young man he became. Mammoth brought him so much happiness as well as helping him to grow in talent and confidence both on and off the stage. For this reason, Lance's family would like to see the funds used to assist other young trombone players, one each year for as long as possible, in hopes that other young musicians will have a chance to be influenced and shaped by Mammoth like Lance was and to help keep Lance's memory alive. This year's recipient, the first recipient, is Michael Nordby, 13, from San Jose, California. His brother, Charles, is attending camp also and plays bass. His parents are Chris and Tania and this is his first time attending Mammoth Jazz Camp. Michael has been playing trombone for 2 years and we are happy to welcome both Michael and his brother Charles to Mammoth!
